

As recommended by the Henry County Health Commissioner, the Henry County Senior Center (HCSC) and all satellite sites will be closed to participants and the general public until further notice. No congregate meals will be served, and all activities including all trips are suspended during this time.

Home delivered meals and tax appointments will continue as scheduled.

Please check back here for any further changes as we will release further information as it becomes available. If you have any questions, please call the HCSC at 419-599-5515.

Thank you for your patience, stay home and stay well!
