

Henry County Health Department is kicking off its flu clinic season on Tuesday, October 6th.

Flu shots are available by appointment on Tuesday, 10/6 from 9-12 and 1:30-4:30 and every Thursday (10/8, 10/15, 10/22, 10/29) from 9-12 and 1:30-5:30.

Make sure to call ahead to make an appointment at 419-599-5545.

If you have mobility issues and it's easier for you to stay in your vehicle, the public health nurses will give you your flu shot while you wait in your car. Be sure to mention that when making your appointment.

The health department wants to make sure everyone who wants a flu shot gets one, so be sure to call 419-599-5545 to make your appointment. They will work with you to find a date and time that is convenient.

This fall and winter present a lot of health concerns, including COVID-19, colds, stress, and depression. Getting a flu shot increases your odds of not having to worry about flu. Get vaccinated and encourage your family to get vaccinated for the flu.
