# Henry County Senior Center

*"To empower and inspire older adults to thrive in all aspects of their lives"*

**FEBRUARY 2026**

Dear Friends,

As we welcome the month of February, we are reminded that even in the heart of winter, there is so much warmth to be found in kindness, friendship, and community. With Valentine's Day just around the corner, this month gives us a special opportunity to celebrate caring connections, gratitude, and the joy of spending time with one another. At the Henry County Senior Center, those connections are what make our center such a meaningful and welcoming place.

During the winter months, taking care of our health and well-being is especially important. We encourage everyone to stay active, stay warm, and take advantage of the programs and activities designed to support winter wellness—both physically and socially. Whether you're joining an exercise class, participating in a group activity, or simply stopping by for conversation and laughter, every visit helps strengthen our sense of community.

Thank you for being such a valued part of the Henry County Senior Center family. Your presence, participation, and support make a difference every day. We look forward to sharing a February filled with friendship, wellness, and plenty of heartfelt moments together.

Warm wishes,

Angela
